The Reception | With approximately 650 guests in attendance, Stephanie and Joseph ensured their reception was chock-full of premium food and entertainment. A choice of pasta stuffed with ricotta cheese and spinach in a rosée sauce was available for the entrée along with AAA bacon-wrapped filet mignon with lobster tail in a beurre blanc sauce. For dessert, guests indulged in a vanilla crème brûlée topped with a chocolate dipped strawberry. However it didn't stop there. Late night food stations also opened serving cake, fresh crêpes, gelato and Belgian waffles. In place of favours, donations were made to the charity of the guest's choice.
